Olde Town Okotoks:

Heart of the town - remarkable finds of speciality dining, unique gifts, health & wellness services, banking and much more. 3 distinct districts: Elizabeth Street, McRae Crossing and Elma Street. Olde town okotoks is largely "walkable" and may be best combined with a Historical Walking Tour.

Elma street is good for an "off the beaten track" experience, while McRae Crossing boasts some of the community's newest businesses. Virtually everything you may need can be found on Elizabeth Street.
